Date: 12 Sep 2017

Dear Parent

Technology today is at its most exciting and attractive phase however the need of the hour undoubtedly is to ensure that we always remain masters of technology and do not let it negatively impact our personal and social lives.

We have established a Cyber Congress at KHMS , with the primary objective of sensitizing the youth, partners in education -teachers and parents to maintain a balance between digital and the real life. It aims to equip members of the school community with the necessary skills needed to use these technologies in a safe and responsible manner.

The school is holding a Workshop for the Parents of the students of classes IV to VI on **16th September, 2017 (Saturday) from 10:15 a.m. to 11:45 a.m.** in the School Auditorium (Senior Wing, Phase -III).

The Workshop will focus on the following points:

- Safety precautions related to Cyber threats /Virus/Identity theft.
- Knowing about Spywares (malware installed in computer to get owner's private information).
- Practical Tips to safeguard from internet havoc related to mobile devices, computers and internet browsers.

We look forward to working with you, in all our efforts, to provide Safe Environment to our children.

Regards

Sneh Verma (Ms.)

Principal
