

CBSE Board Exam 2019: 4 New Rules for candidates

The 10th or 12th Board Exams of the Central Board of Secondary Education will be held from February 15. About 28 lakh candidates can register the exam this year. At the same time, before the exam, CBSE has announced important guidance to the schools and parents on the website cbse.nic.in, in which they have been notified about the rules for the update. Let us understand what is written in the important guidance for the Board Examination 2019.

CBSE has Announced 4 New Rules

1. School Uniform Mandatory

School Uniforms have been made compulsory for regular candidates. According to the news of Times Now, the board has strictly told the schools to give instructions to their candidates about it. If students don't wear the uniform correctly then they can be stopped for entry in the exam centre.

2. Parents Signature on Admit Card

In addition to the candidates and principal's signature on the admittance card, this year Central Board of Secondary Education has created a column for parents' signature. Candidates should ensure that they have all required signature on the admission card of their CBSE board exam. Entry will not be permitted at the examination centre if anybody signs off the signature.

3. No Entry after 10 o'clock

Any candidate in the exam centre takes the entry at 10 AM. then they will not be given an entry in any condition. Therefore, all candidates and their parents are informed to ensure that they reach centres on time.

4. What to take in the exam centre and not

Candidates can take their pens and require stationery in a transparent bag. Apart from these, candidates are only permitted to carry their school card or admission card of the CBSE Board. At the same time, check the signature or stamped on the admit card. Those candidates who have diabetes are permitted to take snacks with them. Also, any written material, mobile phone, purse or smartwatches are not allowed within the exam hall.
