

# ***Eager Beavers***

## ***The International Interschool Array of Competitions***

'Eager Beavers – A Digital Fiesta is an annual interschool competition hosted by KHMS. It is a series of enthralling activities piloted to hone the intrinsic interests of the participants and help them develop an informed curiosity and lasting passion for learning.

The annual online celebration of curiosity and innovation like previous years received multiple entries from our International as well as Domestic Partners.

## ***Celebrating Talent: Cambridge Fiesta***

The fiesta of class I and II included peace day activities, craft Mela, shapes fair and healthy Cook Pick giving the students a platform to experience and explore generous opportunities. The activities complemented the natural curiosity of the learners.

# Celebrating Talent - Cambridge Fiesta

Cambridge Fiestas, coding competitions, parent mentorship programmes, peer mentorship programmes are a regular feature of the Cambridge section.

**Healthy Cook Off :** Students of Cambridge class I enthusiastically participated in Non-Fire Cooking activity where they prepared appetizing flameless dishes. The activity allowed the little ones to shed their inhibitions and made them enjoy the art of culinary.

Scratch Coding Challenge for class V and VI displayed the amazing coding proficiency through the games they designed in Scratch !!

Krita Kapoor and Aarna Gupta class VI, the cyberPals made the students aware of various cyber threats and also shared the tips to stay safe online.

# *Skills for Today, Tomorrow and the Future*

*Embracing the path to life-long learning, our teachers have successfully completed several training programmes and certification courses thus keeping themselves abreast with the latest in the field.*

A Cambridge Professional Development Programs hosted by the school in June 2023 to equip educators with the necessary skills and knowledge to create engaging and effective learning environments by CAIE certified trainers provided a closer look at the spirit of Cambridge Learning. Over 10 schools from Delhi NCR participated in the collaborative learning process making it a huge success.

Ms. Prachi Mehta , Cambridge Coordinator Asia Pacific apprised the Parents of class 7 and 8 about IGCSE board ( International General Certificate of Secondary Education).

Ms. Kavita Sanghvi, an accomplished educator with an empowered minds helping them discover the art of Differentiation & Metacognition

The Global Perspective Workshop by Achama Mathew focused on teaching approaches teaching methodologies, and meta cognition was attended by some of the teachers

Ms. Rashima, Ms Hema Wadhwa , Ms. Sakshi Completed IGCSE training for their respective subjects.

The Cambridge Zonal Meet was attended by the teachers along with Ms. Malini Bindra at Shiv Nadar School, NOIDA. The resource persons from Cambridge were Ben Schmiidt, Vanita Uppal, Tanay Ghosh and Satyajit Sarkar and other members of the Cambridge community.

# Cambridge Spotlight

The Cambridge Spotlight promote creativity team work and holistic growth embedding the Cambridge learner attributes.

The Shadow Show

Prisms and Pyramids

Map Scavengers

Doha Gayan – Kabir ke Swar

UNIVERSITY OF  
CAMBRIDGE

## Mindful Moments

It brings me immense joy to write today, reflecting on one more eventful year. Each student must seize every opportunity, be it in academics, sports, or the arts, for it is through diverse experiences that one truly inculcates passion and strength and achieves excellence. Let us foster a spirit of collaboration, kindness, and respect, ensuring that our school remains a place where everyone feels valued and supported.

The exchange program stands as a testament to our commitment to nurturing global citizens who are well-rounded, adaptable, and culturally aware.

Dear Children, the world is vast and full of wonders waiting to be explored. Holistic Learning not only contributes to your academic journey but also help you develop life skills that will set you apart in an ever-evolving global landscape.
