

Kulachi Hansraj Model School CAMBRIDGE CHRONICLES

Session 2023-24

Special Issue

Wisdom Waves

I am thrilled to share with you the remarkable success of our students in all spheres be it their checkpoint, co-curricular or collaboration projects.

It is a great delight that the students who participated in the student-exchange had some incredible experiences. I extend appreciation for Ms. Kartika Desy Purwanti of SDII Al Abidin for the warm hospitality offered to our team of students and teachers. I extend my heartfelt congratulations to the entire Cambridge group who put in best efforts and performed remarkably well in Cambridge Checkpoint Exam with resounding success.

Together, we are shaping the future leaders of our interconnected world. I commend the various activities and initiatives undertaken together as a team and am certain that in the years to come we will continue shaping leaders of our interconnected world.

Sneh Verma (Ms.)
Principal

The Students of Cambridge Wing of the school visited SDII Al Abidin Surakarta, International Islamic School, Surakarta City, Central Java Province between 23 July – 28th July 2023.

Embracing Diversity - Forging Friendships

Our Students Exchange experiences...

This tour was a source of immense experiential learning for us as we were exposed to different cultures, way of life, regions and people.

Aarush Garg, VI J

'Bhinneka Tunggal Ika' (Unity in Diversity), I could understand this better after knowing about the cultures of both the countries.

Suhani Singhal, VII K

My heart melted seeing how interested they were in learning about our culture. They all surrounded us to meet and talk. I felt like a celebrity. It was truly an amazing experience.

Avyaan Jindal, VII K

Building Bridges to a Global World

In Bali, we went to Sunset beach and Seminyak beach, where we saw the mesmerizing sunset. The frolic in the water was fun. The waves splashed all over us as we laughed with each other. We learnt how to support and trust one another and formed an everlasting bond amongst ourselves.

Tashi Ahuja, VII K

We saw an active volcano.. the Art Museum... visited beaches in Bali ... the place is amazing!!! I enjoyed the trip thoroughly , the sweet memories are etched forever !!

Yuvraj Singhal , VIII K

We want to take a moment to express our deepest gratitude for the incredible efforts the teachers who put efforts into organizing and leading our foreign trip to Indonesia. We were reminded of the countless ways our teachers went above and beyond their roles of educators.

Aarav Bisht, VII K

Connecting Minds, Sharing Insights - Parent Mentorship Programmes

Parent Mentor Ms. Sumedha Sahni, a clinical psychologist held an enlightening session on Happiness offering students of classes III I and J, a unique opportunity to develop a deeper knowledge and understanding of what happiness is. Class VII and VIII also benefitted from her inputs on adolescence.

Parent Mentor Dr. Gauri Bhushan held an enlightening session for class I on primary eye health care offering students a unique opportunity to delve into the fascinating world of eye health and vision.

PMP of Class PP was on understanding the concept of days and nights change through Tearing and Pasting Activity by Ms. Nikita Goel.

Non fire cooking session conducted by Ms. Shefali Gupta were quite captivating.

PS PMP Ms. Daanya Kapoor and Ms Neha Kapoor conducted a session on Decoration of Stockings and Christmas Tree.

Workshop on Importance of our feathered friends- Birds for Class: 2 was organized by Parent Mentor, Mrs. Seema Rajput, an environment enthusiast highlighted how birds contribute to environmental protection and preservation..

Ignited Minds in Motion

Embracing Empathy was the theme for the Mental Health Awareness Month, the Cambridge learners of class VII participated in a book mark making activity. Students created their personalized bookmarks and reflected on their own mental well-being.

Class VIII Cambridge presented analysis of the India-Pakistan cricket match using statistical concepts. They collected data on player performance, and analyzed using graphs and charts.

Engaging Science Activities were performed by the students of Class VII K. This made learning a fun filled experience. Students decorated the class with glorious colours and vibrant smiles. Some activities performed were Dancing Raisins, RGB LED, cleaning of silver, Electrolysis etc.

Class VII participated in a creative activity centered around report card making, incorporating the concept of percentages. Students calculated subject-wise percentages and designed report cards to showcase their grades. This hands-on approach to math and art enhanced their understanding of percentages and provided a fun learning experience.

Bhavisha Chopra of Class VII - K won the High Commendation Award from the UNEA Committee at the Model United Nations organised by United Nations Information Centre for India and Bhutan (UNIC) and Fair Gaze in April while Lamjingrenba of Class VII - K won a Special Mention Award in Position Paper in the UNEA Committee.

Special Assembly by class VII K and VIII K on Vasudhaiva Kutumbkam sought to foster the feeling of unity and global oneness amongst learners.
